Manufacturer Provided Description

The 28 ZX Open offers the same exhilarating performance, breathtaking speed, and sleek styling as Donzi's 28 ZX performance boat, with the added seating area of a bow rider. The cockpit is pure performance, from the twin standup bolster seats to the comfortable, richly padded rear bench seat. Pass through the 28 ZXO's innovative mid cabin - with facing love seats that convert to a berth, a great sound system, and a porta pottie – and things get interesting. Forward you'll find a spacious seating area with wraparound seating, well-placed grab handles and beverage holders. Donzi's ventilated stepped hull running surface, along with power options ranging from a single big-block V8 to twin small blocks, combine to assure that this unique performance boat is not only friendly, but fast.
